## Directions

### By Car

If you use the postcode GL52 7YU in your sat nav please follow the instructions below to ensure you arrive at the Medical Centre as we have had some reports of misleading directions possibly sending you to the incorrect location. We would advise using Cleavelands Medical Centre in the sat nav.

When you turn off the A435 Evesham Road at the new roundabout onto the Cleavelands development (Sapphire Road), do not turn left onto Amber Road, continue straight ahead and the medical centre is the large white building to the right.

Drive past the building and turn right and right again to enter the car park. There are designated disabled bays near the doors. Please leave the rear of the car park free for GP's and Staff.

There is access to the Medical Centre at the rear of the building as well as the front.
