**Directions****By Car**

We would advise using 'Cleavelands Medical Centre' in the sat nav, as we have had some reports of misleading directions possibly sending you to the incorrect location if you use the postcode GL52 7YU in your sat nav.

When you turn off the A435 Evesham Road at the new roundabout onto the Cleavelands development (Sapphire Road), do not turn left onto Amber Road, continue straight ahead and the medical centre is the large white building to the right.

The car park is at the back/rear of the practice. Drive past the building and turn right and right again to enter the car park. There are designated disabled bays near the doors. The rear of the car park is for staff only.

There is access to the Medical Centre at the rear of the building as well as the front.
